

## Development Boundary Umpire Accreditation – Performance Checklist

The Umpire must be observed demonstrating the below elements to determine their competency for Development Umpire Accreditation. One observation is necessary to ensure that the assessment meets the rules of evidence. If not met during the first observation, a second observation may be required in those areas.

| NAME:  | Obs 1<br>Met Y/N                 | Obs 2<br>(if req'd)<br>Met Y/N | Area for<br>Improvement<br>(comment below) |
|--|----------------------------------|--------------------------------|--|
| <b>1. Qualities of an umpire</b>   |                                  |                                |  |
| • Demonstrates honesty, impartiality & integrity   |                                  |                                |  |
| • Displays respect, teamwork & trust   |                                  |                                |  |
| <b>2. Manages self</b>   |                                  |                                |  |
| • Prepares for the requirements of officiating   |                                  |                                |  |
| • Demonstrates strategies to improve their umpiring  |                                  |                                |  |
| <b>3. Manages Environment</b>  |                                  |                                |  |
| • Ensures a safe environment exists for all boundary umpires   |                                  |                                |  |
| • Copes positively with match-day challenges   |                                  |                                |  |
| <b>4. Manages Match</b>  |                                  |                                |  |
| • Displays confidence whilst umpiring and communicating with other umpires (whistle, voice)                              |                                  |                                |  |
| • Displays alertness & composure with decision making  |                                  |                                |  |
| <b>5. Laws &amp; Interpretations</b>   |                                  |                                |  |
| • Applies the Laws of Australian Football related to Boundary Umpiring   |                                  |                                |  |
| • Applies the Laws with consistency and composure  |                                  |                                |  |
| <b>6. Position</b>   |                                  |                                |  |
| • Adjusts position when contest for the ball is close to the boundary line   |                                  |                                |  |
| • Commonly establishes the desired positions for set-plays (centre square ball up, shot of goal, kick in after a behind) |                                  |                                |  |
| <b>7. Skills &amp; Techniques</b>  |                                  |                                |  |
| • Demonstrates basic signals, including effective whistle use, under match-conditions                                    |                                  |                                |  |
| • Performs the boundary-throw-in as desired  |                                  |                                |  |
| <b>8. Manages Others</b>   |                                  |                                |  |
| • Demonstrates an understanding of other match officials' specific roles   |                                  |                                |  |
| • Communicates effectively with other members of the umpiring team   |                                  |                                |  |
| <b>OVERALL COMPETENCY (circle)</b>   | <b>Competent / Not Competent</b> |                                |  |
